We had some promising signs as we got some players back. We were able to get four back, of which three were in our leadership group. Daniel Golding, Darren Vertudaches and Adam Williams were big inclusions. Steven Pitt up forward was good with his six goals and then in the final quarter dropping back into defence.

Adam Williams at full back, Daniel Golding in the midfield, Darren Vertudaches on ball and a young lad - Brett Pike who was in our Under 18's last year and is only small in stature, but big in heart played well across half back.

Salisbury North this week is a must win game for us as we attempt to string a few games together and move forward. I don't want to speak with the guys again at quarter time again to get them moving. We get a few more players back this week, which will be good to have in the mix.

After three loses in our first three games we were up against a side also winless. We had been very competitive so far so i was confident of a good result. Conditions were slightly damp and playing on a primary school size oval there were some unknowns about how we would perform.

The first quarter we dominated possession of the ball only to waste opportunities in front of goal kicking 2.11 to EP 1.0. The next three quarters never really reached any great heights, Parts were good, some not so good.

As we never looked like dropping the game it was hard to gauge our performance. I think winning the contested ball is still a concern as well as the lack of pressure we apply on the opposition when they have the ball.

This week we play Salisbury North who have always been strong in the reserves. It will be a true indication where we are as a team and as individuals as there needs to be an improvement in a number of areas if we are going to put our second win on the board.

I was pleased with the round 4 result against Athelstone at home.

We had a lot of football but could not capitalise in front of goal which has hindered our season thus far.

Key defenders Grant Williams and Shayne Tregloan silenced Athelstone's drive whilst Andrew Medlen and Brad Myers in the middle were solid around the ground

A much stronger gullies team faced off against the raggies for our first home game of the season.

The gullies were jumped out of the blocks, but after some strong words at quarter time came out firing and manning up well. Fighting back to almost level before the half time break from being 6 goals down.

3 goals to coach Adem Mander, and 2 goals and a speckie to Rockstar Thompson kept the gullies within 7 points of the match.

The Gullies continued to fight hard, but in the end were beaten by time.

Young Blake showed tremendous poise and promise running from half back, whilst Reeves and Benny Mac were strong around the packs as we have been known to expect.

Raggies eventual winners by just over 1 goal.
